Singer Salvage Yard Company
ATTN: Andrew Wells, Grayson Collins, et-al

To Whom it May Concern,

This letter is to notify you about a problem I am having with Singer Salvage Yard. I went to the salvage yard to buy scrap metal on August 20th. I found exactly what I thought I needed; however, when I got it home I realized it was the wrong thing.

I am dissatisfied because Mr. Singer would not let me return the scrap metal for a full refund of \$525 for the following reason: it could now be cursed.

I would like a full refund because you can send Sam or Dean Winchester out to my property to check if it has been cursed.

Thank you,

Sincerely,

Sally Smith-South
