## **GROUP PROJECT: Proposal**

**This will be due OCT. 30 (??)**

**Based on your Part 1 Group Project "Technical Report" decide what you are going to propose:**

- **proposed work**
- **reasons for the work**
- **methods proposed (at least 2 different methods to get to your goal)**
- **estimated time & cost**
- **RFQ of your "group", the company, the others involved, etc.**
- **Effective argument/persuasion**
- **SEE page 239 for "COMMON" sections. This does not limit you to more sections.**
- **Appendices**
